Unless otherwise specified, our terms are Net 30 days from the date of invoice. Any balance that is still outstanding beyond the mutually agreed upon terms are subject to a finance charge of 18% annual percentage rate, or 1.5% pro-rated. If an account is placed in collections with an attorney or collection agency, there shall be charged to the account all reasonable fees and other costs of collection that shall be paid by the undersigned. If the aforementioned company cannot pay, Williams will have the right and may pursue the owner of the outstanding debt.
